Trainers and Programmes	<p>Jennifer Schumm, Jennifer has taught English as a foreign language at the University of Graz, Austria since 1994. Her main areas of interest are teaching intercultural communication and young adult literature in the EFL classroom. She has given in-service training courses for teachers throughout Austria.</p> <p>Raising Cultural Awareness</p> <p>A task-oriented approach to teaching cultural awareness will be taken in the workshops. The course will combine theory and activities which teachers can also use in the EFL classroom. The focus of the workshops will be on</p> <ul style="list-style-type: none"> investigating the concept of culture and its various levels exploring participants' perception of their own culture which is a prerequisite for developing cross-cultural awareness developing tolerance towards otherness, empathy and deeper understanding of different assumptions, values and beliefs, as well as of why and how these have developed discussing the role culture plays in both verbal and nonverbal communication examining cultural behavior in the USA and UK 	<p>Andrea Gewessler Andrea provides specialist consultancy, facilitation, training, coaching, interim management and writing services to the post-16 education sector. She is an experienced adult educator and Master Practitioner of neuro-linguistic programming with an MA in Adult Education and a Postgraduate Diploma in Language Management. She is also a Fellow of the Institute for Learning. She had responsibility for staff development, e-learning and teacher training in most of her full-time roles and is passionate about learning, sustainability, authentic leadership and continuous professional development.</p> <p>E-Learning or Unleashing the Potential of Digital Technology</p> <p>The focus of the workshops will be on</p> <ul style="list-style-type: none"> connecting the potential of digital technologies with what we know about how we learn languages gaining hands-on experience and confidence using a variety of digital tools such as the WorldWideWeb, blogs, Virtual Learning Environments, video and voice recorders and softwares such as Word, PowerPoint, HotPotatoes, Audacity and Picasa filling you with enthusiasm and confidence equipping you with sufficient skills and knowledge to brush off set backs easily and forge ahead to give things another go (with a smile on your face)
